

ACT NOW - SAVE BULLOCH

Bulloch Harbour Preservation Association

This proposed construction at Bulloch (aka Bullock) Harbour by Bartra Property Dublin Ltd has been:

- ❖ Overwhelmingly rejected by local people, harbour users, public representatives and public bodies
- ❖ Comprehensively refused planning permission by Dun Laoghaire-Rathdown County Council
- ❖ Rejected on several grounds by An Bord Pleanála's own Planning Inspector, only to be ignored by the board itself which then granted planning permission.

Following consultation and careful consideration Bulloch Harbour Preservation Association, on behalf of its members and the wider public, is seeking a Judicial Review of this ABP decision. This is the only option to stop this ill-considered proposal. Please join our campaign for funds to get justice for Bulloch, protect our heritage harbour and stop housing being built on a site regularly flooded by extreme wave over-topping.

To proceed we must raise finance to cover the legal cost of challenging this wrongful decision and ask you to donate - €10, €50, €1000 - or as much as you can afford.

We will be most grateful. Thank you in anticipation.

Please use the form below or visit the **Donate** page on our website www.bullochharbour.org

✂

Bulloch Harbour Judicial Review Campaign Please complete this form and send with your cheque to: Treasurer, Bulloch Harbour Preservation Association, c/o Harbourville, Bulloch Harbour, Dalkey, Co Dublin
